## Die Zeitformen

past simple, present perfect, past progressive

- 1 Fill in the right form of the verb in brackets. Use the right tense. Look at the signal words.

**Example:** Yesterday I saw (see) a squirrel in the tree.

Maureen has lived (live) in Dublin *since 2012*.

Last summer we went (go) to France.

I have (be) *never* been to France.

While Tom was walking (walk) the dog, a black cat crossed his path.

I was watching TV *when* my mother opened (open) the door.

- 2 Past progressive or past simple? Circle the right tense.

I read a detective novel / was reading a detective novel when I suddenly heard / was hearing a loud noise.

While Harry checked / was checking his e-mails, his father called / was calling him.

After we read / had read the good review, we bought / were buying the book.

- 3 Fill in the missing verb forms.

infinitive	simple past	past participle
see	saw	seen
come	came	come
feel	felt	felt
think	thought	thought
do	did	done
choose	chose	chosen
know	knew	known
